

WHY WE ARE MAKING CUT PRICES ON RIGS

To close out certain lines of vehicles, reduce stock in inventory and prepare for harvesting machinery and other goods contracted for some of which is enroute, we must have more room. To get the room we are now making special discount prices on buggies, runabouts, delivery wagons and other pleasure vehicles.

Years of experience here in Arizona have shown us what is required in vehicles to last and withstand our climatic conditions, and buying in big quantities have enabled us to get the lowest prices.

This combination of conditions enables us to give you better values for less money than can be gotten elsewhere.

Don't take our word for it but come in and see, and don't forget that we are making special discount prices.
